

United Way License Plates are here!

The United Ways of Tennessee
are proud to introduce the very first
United Way LIVE UNITED
specialty state license plate

Show other motorists how you
LIVE UNITED by purchasing a
United Way license plate today!

This is a pre-sale of the license plate. 1,000 plates must be purchased for the State of Tennessee to go into production of the plate. Once we reach that mark the plates will be produced mailed directly to those who ordered one. After the first 1,000 license plates are sold the license plates will be available at all County Clerk offices.

The proceeds from the sale of the license plates will go to assist the United Ways of Tennessee. For more info visit: www.UnitedWayLicensePlate.com
